

W^m Garrison Bradford Aug
Eg:
1867
Est^d Sir

Many thanks for your
favor of yest^y.

²¹⁴ As intimated in mine of
yest^y Mr Forster will be unable
to join in your reception at
the date you name in Oct^r
— Will it be possible to take
Bradford out of the programme
for Oct^r and fix your visit here
to follow the Crystal Palace Fete
of Sep 3 — say for Sep 30th. I do
not know to what part of the
Continent Mr Forster may be
going but would suggest the
probability of your leaving

Bradford, Aug. 6, 1867.

Bradford in company with
him for the Continent - I
think it quite probable
that Switzerland may be
his destination & that the
company would be
mutually agreeable. -

I presume whether you
have communicated with
him I take the liberty of
saying he would be glad to
see you at 8 O'clock on Sat:
Pimlico in the morning

Hoping for a line from
you before leaving for the
Rhine on Thursday that our coun-^{ees}
try proceed with accuracy
I am, Sir, Yours faithfully
W. S. Nichols
